Project Design Information

Notes

Project Name	
Installer	
Surveyed by	
Surveyers Telephone:	
Is supplementary electronic information available? i.e. plans	
Site Address	
Post Code	
Telephone	
Email	
Heating Load	
Boiler Type	
Back up/Peak load required	
Fuel Type	
Fuel Information	
Dual Fuel?	
If chip store, is loading via - chip shifter/front end loader/telescopic front end loader/chipping directly in (blown)	
Power Supply	
Generator	
Water Supply ie. Mains or Borehole	

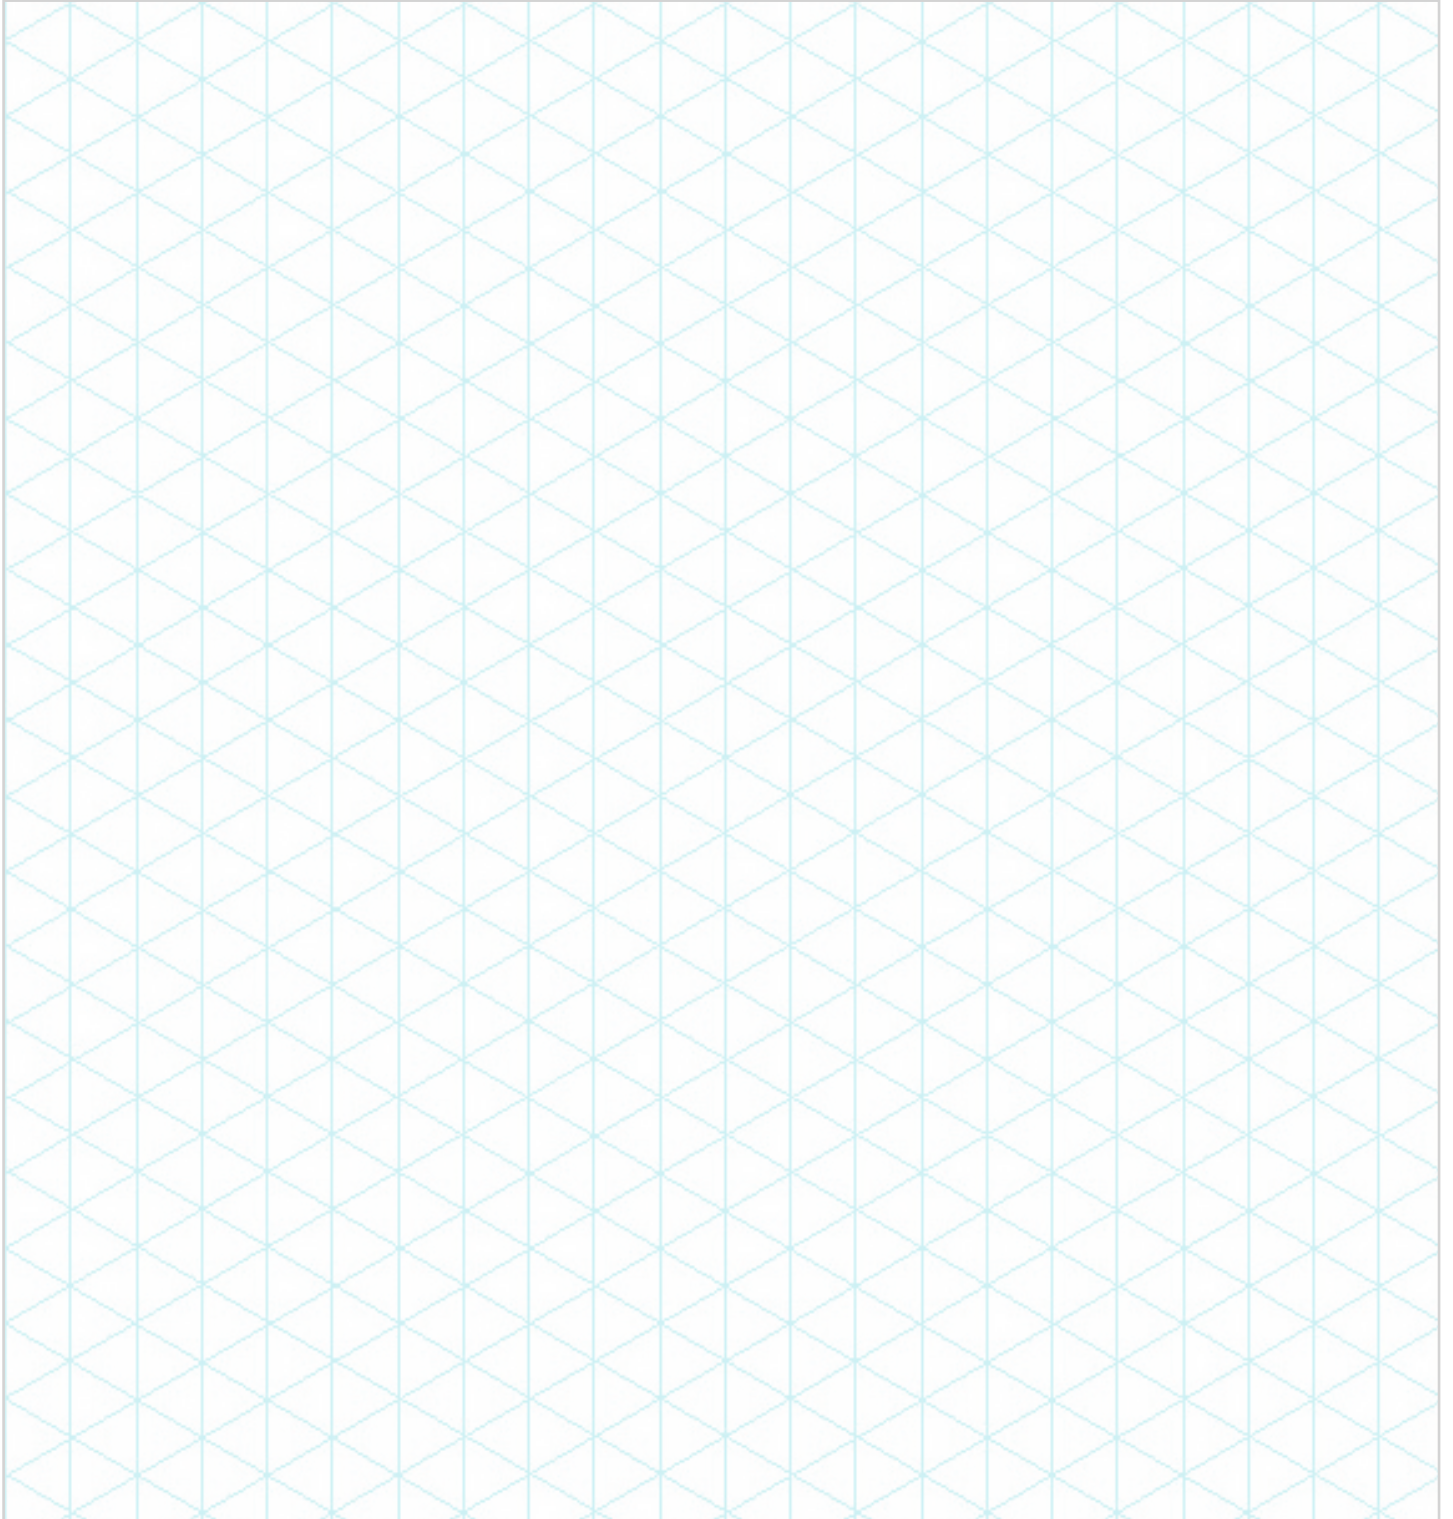

Project Design Information

Application

Domestic or Non-domestic	
Swimming Pool (If yes, indoor or outdoor)	
Process Heating - Explain	
Non-domestic Application - Explain	
DHW Usage - Explain	

Project Design Information

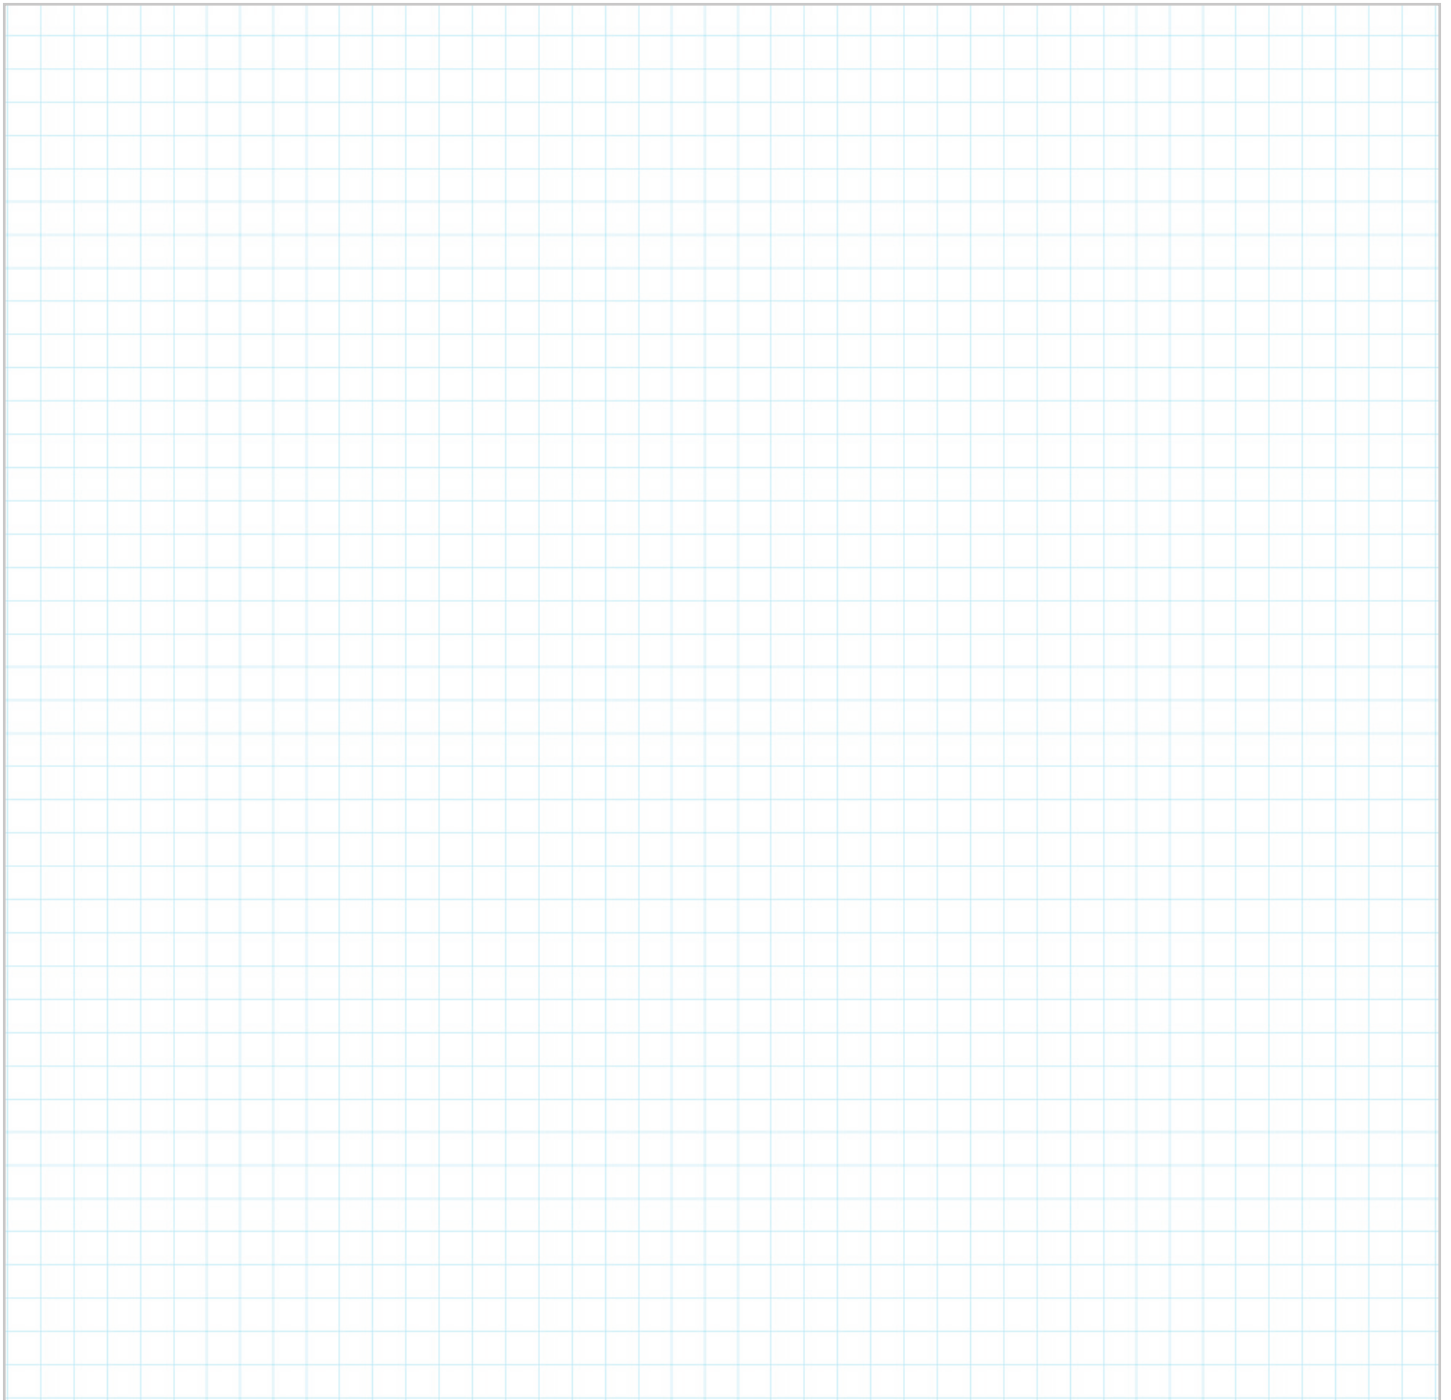

Boiler Room

Project Design Information

District Distribution Network

Is District heating design required?

Project Design Information

Logistics

Site suitability for HGV's	
If energy cabin; Suitability for wide loads - Access/Egress	
Site contact name: Number: Project manager to liase with haulier:	
Proposed date of installation (taking into account product lead times)	

Administration Section - For Internal Use Only

Design Time

Each hour of revision or additional hour of design will be charged at £45 per hour)

Layout →	1st Drawing	
	Revision A	
	Revision B	
	Additional hours	
Pipework →	1st Drawing	
	Revision A	
District →	1st Drawing	
	Revision A
